

CREATE A HOME INVENTORY

Homeowners insurance policies offer coverage for your personal property items up to your coverage C limit. Before meeting with your agent, it'll be helpful to create a home inventory of the following types of items (among other items in your home) to make sure you're properly covered:

| ASSET | VALUE | ASSET | VALUE |
|-------------------|-------|-------|-------|
| Antiques | | | |
| Arts | | | |
| Collectibles | | | |
| Computers | | | |
| Electronics | | | |
| Game Systems | | | |
| Musical Equipment | | | |
| Sound Systems | | | |
| Sports Equipment | | | |
| Furniture | | | |
| Clothing | | | |
| Books | | | |

Your policy provides limited coverage for the items below up to the limit listed. Fill out this list to find out if you need additional coverage:
